Dear Fellow Travelers,

I know you've been waiting a long time for this Iceland Itinerary and I hope you like it. We have been working hard to fine tune this itinerary to get the best Iceland has to offer. I've tried to keep us nature seekers out of the big cities and into the natural areas.

Glaciers, volcanoes and northern lights - will be some of our highlights. We'll visit farms, meet the Icelandic horses, converse with the local people, shop for the famous Icelandic woolens and enjoy traditional meals prepared by the proud local farmers.

The land cost for this trip is \$6385. Airfare is additional. You should contact Lene at Journey's International to sign up for this trip and to make a deposit. 800-255-8735 or [lene@journeysinternational.com](mailto:lene@journeysinternational.com)

We do have a large interested list in this trip. Please do not delay in making your reservation.

Looking forward to traveling with you. If you have questions, let me know or contact Lene.

Thank you.

Sincerely,

Dianne Braybrook, Director
